Mukand and MGL to supply PNG for Thane plant

Mukand Limited, a trailblazer in the steel industry, takes a momentous leap towards a sustainable future with its strategic collaboration alongside Mahanagar Gas Limited (MGL). In a groundbreaking initiative, Mukand Limited proudly announces its partnership with MGL to supply Piped Natural Gas (PNG) to its cutting-edge Stainless Steel Manufacturing plant in Thane. This alliance not only symbolizes union of two industry giants but also represents a significant milestone in the steel sector's relentless pursuit of sustainability and environmental responsibility.
