Sharing is caring!

The event kicked off in the early morning hours, with students arriving from various parts of Shahapur, bringing an air of excitement and energy. The race saw young athletes put their best foot forward, displaying immense perseverance and sportsmanship. Speaking to the Principal of the winning school, it was revealed that students had been practicing for the past 1.5-2 months, and their dedication truly paid off as they secured the top positions in both the male and female categories.
